

Reading Never Sounded So Good!

Introducing Benson's New Playaway Collection!

Parent / Guardian Permission Letter

Grade 6, 7 & 8 students who return the form on the back of this flyer will be able to check out Playaway audio books.

What is a Playaway?

A Playaway is a small, plastic, i-pod-like unit pre-loaded with an audio book. Think of it as an upgraded version of a book on tape. Students can control the volume and the speed of reading.

What are the borrowing stipulations?

- A Playaway will only be loaned to a student once a contract has been returned signed by both parent and student.
- The loan period is one week.
- It is the responsibility of the student to return the Playaway and accessories in the same condition received from the Benson Library.
- **If the Playaway is lost or damaged in any way, it is the responsibility of the student/parents to pay for the replacement cost (One Playaway costs between \$40.00 and \$90.00).**

Is a borrowing contract needed?

Yes, the contract to borrow a Playaway is on the reverse side.

What do you need to work a Playaway?

Included with each Playaway is the plastic audio book unit, a lanyard, a AAA battery, a set of instructions, all in a plastic bag. Students are required to provide their own headphones.

Playaway Borrowing Contract

We have read the introduction to Playaway audio books on the reverse of this form. We understand:

- That a Playaway is a self playing digital audio book
- That the cost to replace a Playaway, if it is lost or damaged is the responsibility of the borrower
- That the replacement cost ranges from \$40.00—\$90.00 dependant on the title
- That the loan period is one week
- That in order to borrow a Playaway, a contract must be signed by both student and parent and returned to the library

We have read the points above and agree to the check-out expectations and responsibilities.
